

# PRESENTATIONS STAR CHART

| PRESENTATION ITEM  | EXPECTATION   |
|--------------------|---|
| AUDIO ELEMENTS     | Sound quality should be free of distractible background noise. Speaker's voice should be clear and the rate, phrasing, and expression should be easy to follow and enjoyable to hear.   |
| VISUAL ELEMENTS    | Visual elements enhance the item being presented and do not distract from any included text. The use of colors, lines, text formatting, and graphics are appealing and utilized to create a thematic, evenly balanced presentation.   |
| WRITTEN COMPONENTS | Grammar and punctuation rules are followed. Good writing techniques such as main ideas and supporting details are evident and allow the reader to enjoy a sequential and elaborated piece. Figurative language elements and creative sentence formats make this a piece that the reader will want to read more than once. |
